This packet contains 50 sets of questions that were written specifically for league level practice. By “league level,” we mean that they should test your team on the fundamentals: quoting, references, simple facts, short lists, etc. Since the first priority of Bible Quiz is memorization of Scripture, 100 percent of the questions can be answered by anyone who has completely memorized the text. In addition, approximately 80–90 percent can be answered by anyone who has a strong “in essence” grasp of the material (meaning they can almost quote it but make some mistakes). For all of the individual chapter sets we have left in the “From Chapter” or “From Section” introductory remarks so that the questions can be mixed with other sets later in the year for preparation over all the material. All of these questions were drawn from a bulk question file and therefore will reflect the normal writing style at this level. God bless both coaches and quizzers as you learn Mark. The sets have been broken down as follows:

Individual Chapter Sets (16 Sets)	2
League 1 Practice Sets (6 Sets)	34
League 2 Practice Sets (6 Sets)	46
League 3 Practice Sets (6 Sets)	58
League 4 Practice Sets (6 Sets)	70
